

Dear Engineering Physics student,

We are looking forward to welcome you soon to the Bachelor's & Master's program Engineering Physics at the Carl von Ossietzky University Oldenburg and the University of Applied Sciences Emden/Leer!

Please find the new student orientation and some links to information on the program attached.

We wish you the best for your studies!

ORIENTATION WEEKS

ORIENTATION WEEK FOR **INTERNATIONAL** STUDENTS

- Winter Semester 2021/22 : 4 – 8 October 2021
- Summer Semester 2022 : 11 – 15 April 2022
 - <https://uol.de/en/international-orientation>

ORIENTATION WEEK FOR **ALL** STUDENTS

- Winter Semester 2021/22 : 11 – 15 October 2021
- Introduction Bachelor EP : online, 12. October 2021, 12:00
- Introduction Master EP : online, 12. October 2021, 14:00
 - <https://uol.de/en/orientation-week>

LANGUAGE TESTS

GERMAN PLACEMENT TEST FOR INTERNATIONALS STUDENTS:

The online registration for the German language courses of the winter term 2021-22 will be possible from September, 1-29. Late registrations cannot be considered.

All the international students who want to take German language lessons during the semester, please pay attention towards following details.

Date : 05 October 2021

Time : 10:00 (duration approx. 1 ½ hours), online on Stud.IP

Register for more information: (<https://uol.de/en/german-courses-during-the-semester>)

<https://uol.de/sprachenzentrum/sprachen/deutsch-fuer-internationale>

STUDENTS WHO WANT TO IMPROVE THEIR SKILLS IN ENGLISH, FRENCH, SPANISH, OR ANY OTHER LANGUAGE:

Check the following web site for detailed information:

<https://uol.de/sprachenzentrum/information/anmeldeverfahren-fuer-fremdsprachenkurse/>

- Mind the registration deadlines of the language courses: Saturday 18 September 2021 – depending of the language till Sunday, 24 October 2021 via Stud.IP.
- Placement tests are required **before** the registration

GERMAN INTENSIVE COURSES DURING THE SEMESTER BREAK

Before the lecture period of the winter term 2021/22 starts intensive German language courses at A2.1, B1.1, and B2.1 level (according to CEFR) are being offered. The duration is four weeks. No fee for Engineering Physics students!

For more information and the online registration please see:
