Programme structure and content

Theology and Religious Education (B.A. /B.Sc.) can be studied in the Dual-Subject Bachelor in two ways:

- as a first or second subject with 60 (ECTS) each (combined with a 90 (ECTS) subject).
- as a 30 (ECTS) subject (combined with a 90 (ECTS) subject).

The Dual-Subject Bachelor can either be studied as a teacher training programme or as an academic programme for a non-teaching career.

During the course of a six semester Bachelor, you will acquire a total of 180 (ECTS), which are divided among the two subjects (120 ECTS), modules of professionalization (30 ECTS), internships (15 ECTS) and the Bachelor thesis (15 ECTS).

Studying Theology and Religious Education (B.A. /B.Sc.) you can acquire competences in theology and pedagogy of religion as a preparation for working in schools, social, cultural and clerical working fields.

Studies in Theology and Religious Education consist of the following modules:

<table>
<thead>
