

lök270 - Landscape Management Support Planning

Module label	Landscape Management Support Planning			
Modulkürzel	lök270			
Credit points	15.0 KP			
Workload	450 h			
Verwendbarkeit des Moduls	<ul style="list-style-type: none"> Master's Programme Landscape Ecology (Master) > Wahlpflichtmodule a N., (module responsibility) 			
Zuständige Personen				
Prerequisites				
Skills to be acquired in this module	<p>The landscape management support plan aims at compensating for any project-related impacts on the environment. The mitigation and compensation plan is the outcome of a planning process which will be trained in this course.</p> <p>Upon successful completion of the module students will gain:</p> <ul style="list-style-type: none"> Technical skills in mapping plants and animals in landscapes: Records, sorting of records for preparing mapping keys; field mapping. Technical skills in landscape management support planning including GIS analysis, evaluation of the compensation of environmental impacts on selected ecosystem compartments, and planning of compensation and mitigation <p>Ranking/position of the module within the course of studies: This module imparts both action-oriented and theoretical knowledge required for landscape management support planning. Mapping results obtained in the field study are fed into GIS, compensation and mitigation measures are planned, and finally the impacts are balanced by the compensation measures. Relevant literature will be announced during the preparatory course and is contingent on the latest developments in the research field. Additionally, a script for the exercise will be handed over to the participants.</p> <p>https://www.uni-oldenburg.de/en/landeco/</p>			
Module contents				
Literatureempfehlungen				
Links				
Language of instruction	German			
Duration (semesters)	1 Semester			
Module frequency	jährlich			
Module capacity	unlimited			
Reference text	Medienformen: Geländearbeit, GIS-Arbeit, Präsentation der Inhalte über Beamer, Folie und Tafel, Selbststudium mit dem e-learning System www.GIMOLUS.de, Wahlpflicht / Elective			
Type of module	MM (Mastermodul / Master module)			
Module level	Ü, S			
Teaching/Learning method				
Examination	Prüfungszeiten		Type of examination	
Final exam of module	Before the end of the module		Specialized practical exercise	
Lehrveranstaltungsform	Comment	SWS	Frequency	Workload of compulsory attendance
Exercises		10	SoSe	140
Seminar		1	SoSe und WiSe	14
Präsenzzeit Modul insgesamt				154 h
