  - Lehrende der Mikrobiologie

Entry requirements
1 main and 1 profile module

Skills to be acquired in this module
The students are able to work (under guidance) on an ambitious research project. They understand recent scientific literature and can regard it for their own work. They can prepare, carry out, write down, present and defend their work in the public.

Module contents
The contents concern variable recent scientific questions on a high scientific level.

Reader's advisory
project-specific, will be announced

Links
