# pre377 - Project

**Module label**  
Project

**Module code**  
pre377

**Credit points**  
5.0 KP

**Workload**  
150 h

**Used in course of study**  
- Master's Programme European Master in Renewable Energy (EUREC) > Mastermodule

**Contact person**

**Entry requirements**

**Skills to be acquired in this module**
- **Investigations:** Graduates will be able to search and organise the required information for the report.
- **Transferable skills:** To evaluate students learning process through the development of a subject related to any of the modules in the specialization. Graduates will demonstrate their ability to investigate and recognise the need for lifelong learning.

**Module contents**

Students develop a project on any subject, related to any of the modules in the specialization. The issue is approved by a professor who directs and guides the student. Any module coordinator can be director of the project. For evaluation, the student submits a report of the work.
