phy998 - Probabilistic Methods in Wind Energy

Module label                     Probabilistic Methods in Wind Energy
Module code                      phy998
Credit points                    5.0 KP
Workload                         150 h
Used in course of study          • Master's Programme Engineering Physics > European Wind Energy Master
Contact person                   
Entry requirements               
Skills to be acquired in this module
Module contents                  
Reader's advisory                
Links                            
Language of instruction          German
Duration (semesters)             1 Semester
Module frequency                 
Module capacity                  unlimited
Modulelevel                      ---
Modulart                         je nach Studiengang Pflicht oder Wahlpflicht
