Module contents	
Literaturempfehlungen	http://www.uni-oldenburg.de/fk3/sprachenzentrum/sprachen/englisch/kursangebot/allgemeinsprachliche-englischkurse/ English 1 Semester halbjährlich 25 This course is for students who wish to improve their knowledge and use of English. It is only offered as an intensive course in the 2 semester breaks (56 contact lecture hours over 3 weeks), at the end of which each student should have progressed from B2 to C1 (CEF). This course uses the Upper Intermediate Coursebook in the series entitled "Language Leader". This coursebook provides a thought-provoking and purposeful approach to learning English. As well as including systematic grammar and vocabulary practice with extensive recycling and frequent review units, the coursebook includes sections on study skills that encourage independent learning. Students will be expected to engage fully in the class through spoken contributions and completing written exercises both in class and at home. Additional support and extension material will be provided. The most important aspect of learning a language, however, is to enjoy the process so it is hoped that all who take part in this course find it stimulating and enjoyable.
