Application for bringing forward modules of the Master of Education/Master of Arts/Science - degree programmes during the bachelor's phase¹

Last name, first name	Date of birth	Student ID number
Degree programme		First subject (for teacher training courses)

Important notes

- Modified paperless procedure due to COVID-19 pandemic by communication via the email address assigned by the UOL; signatures or printouts are not required.
- Master's programme modules may only be brought forward under certain conditions. These conditions are laid down in the relevant [Master's programme examination regulations](#)
- The consent of the module coordinator does not have to be obtained; the responsible chairperson of the examination board decides on the application.
- You will usually be informed of that decision by email within four weeks.
- The grades and credit points will only be recorded after the student has enrolled in the Master's programme.²

1.	Module designation according to subject-specific annex, e.g. bio210):	Credit points ³
	I want to attend the following courses (please specify the course number):	
2.	Module designation according to subject-specific annex, e.g. bio210):	Credit points ³
	I want to attend the following courses (please specify the course number):
