on the following topic for his/her Master's thesis (please print in block letters):

I will supervise the thesis and petition the Board
of Examiners to assign the topic.

Second examiner:

Signature of main supervisor

Signature of second supervisor

Please note: In accordance to your examinations regulations the Master's thesis has to demonstrate that the student is able independently to tackle a problem of her or his subject in accordance with academic methods and within a prescribed period of time. The exact wording can be found in the examinations regulations.

Therefore, work on the Master's Thesis should begin once approval has been granted.
