University of Oldenburg
Division 3 - Examinations Office

Declaration for the issuance of graduation documents (single-subject Master's)

Last name, first name	Date of birth	Student ID number
Master's programme	Focus area (if applicable)	

I have passed all module examinations and request you to issue my Master's certificate and Master's diploma. I am aware that the certificate and the diploma are issued based on this declaration and that additional modules cannot be added later.

I have completed the following additional coursework that is part of the degree programme (please specify which modules should be included in the certificates).²

	Specify on certificates	Do NOT specify on certificates

Grades to be disregarded

Only for students of School V starting their studies by 30 September 2022!

(does not apply to single-subject master's degree programmes in Engineering Physics, Microbiology, Physics, Environmental Modelling)

The following modules with a maximum of 15 credit points should not be considered when determining the overall grade (**except**: compulsory modules).

Students of Marine Environmental Sciences who started their studies between 01 October 2018 and 30 September 2022 can disregard 6 credits (of an **elective module**).
